

February 5, 2021

Dear Friends of Pope Francis Prep,

We would like to give a huge thank you to you for donating and helping us raise money for AJ Quetta and his family. The outpouring support from the Pope Francis community to help the Quetta family during this time has been nothing short of amazing. This was a tragic event that happened during our game and we were all shaken and just wishing the best for AJ. After we heard about AJ's condition, we wanted to do all that we could to help and support him, his family, and the Bishop Feehan community. We could not imagine what the Bishop Feehan community was feeling. We came together as a team to help organize a dress down day for AJ to raise money. Through the dress down and other donations, we were able to raise \$13,361 from 438 donors for AJ.

This fundraising event has brought us closer together with the common goal of trying the best we can to do anything to help support AJ and his family through this difficult time. We hope that the money raised will be able to help his family with his medical bills and future medical expenses as well. Thank you again for donating and please continue to keep AJ and his family in your thoughts and prayers. As a team and school community, we will continue to send prayers and well wishes to AJ and his family.

Sincerely,

The Pope Francis Prep Hockey Team
