Tuition & Financial Aid FAQ's

Q. Is there a deadline when applying for financial assistance?

A. We encourage families to apply by February 17, as funding is limited. Applications received after Feb. 17 will be processed on an individual basis. Awards granted after the Feb. 17 deadline may be reduced according to the availability of funds.

Q. How long will it be before I hear from the school after applying for financial assistance?

A. If you have applied by February 17, you will receive a notification letter within two to four weeks.

Q. What if my taxes are not done in time to apply by the March 1st deadline?

A. If your taxes are not done in time for the February 17 deadline, you may apply using the information from your previous year's tax filing. You must follow-up with your current W-2's and tax returns for your application to be considered complete. Please note: If you choose the "I do not file" field, you will now be required to submit documentation of income.

Q. What if my financial situation has changed from the time I filed my taxes to the present?

A. If you are denied financial assistance and your financial situation changed from the time you filed, please email Sharon Smith in the Tuition and Financial Aid Office at ssmith@popefrancisprep.org with a brief explanation of your current financial situation and need. Please be specific in income changes from the previous year.

Q. If I qualify for assistance through the FACTS Grant and Aid Assessment Company, will I receive the full amount I qualify for?

A. The school will assist all families who are in need and qualify for financial assistance. Since funding is limited to the monies available, we spread our aid dollars to as many families as possible. We will do our best to make Pope Francis Preparatory School affordable.

Q. If I have more than one child attending Catholic schools within the Diocese of Springfield, must I apply to each school for assistance?

A. No, one FACTS Grant and Aid Assessment application per family is required to apply for assistance. All siblings in Catholic schools should be listed on the one application.

Q. I am not sure I would qualify for financial assistance is there any way you could tell me if you think I would qualify before I fill out the online application?

A. We do not discourage anyone from applying for financial assistance. Everyone's financial situation is different, from the income levels, to the number of people in a family, to the household expenses - these all determine qualifications for financial assistance. For a conversation regarding your situation, please contact Sharon Smith in the Tuition and Financial Aid Office at 833-999-7673 ext. 1130 or ssmith@popefrancisprep.org.
