

ADMISSIONS CHECKLIST

To assist in organizing your application to Pope Francis Preparatory School, please make note of the following steps needed to complete the admissions process:

- Complete and submit an admissions application online with a \$75 application fee. The application will include a short essay on “Why you want to attend” and an Information Release for school records.

- Take the Entrance Exam on December 2, 2023 (incoming Freshmen only).

- Submit a copy of birth certificate.

- Schedule personal interview for incoming 9th graders or guidance meeting for transfer students. Incoming 9th graders will be sent a calendar link with a series of dates and times to choose from in December or January.

A student will be eligible to receive a letter of acceptance, if and only if, this process is completed. Please note, however, that completing this process does not guarantee acceptance.
