Q. What if my taxes are not done in time to apply by the deadline?

Q. What if my financial situation has changed from the time I filed my taxes to the present?

A. If you are denied financial assistance and your financial situation changed from the time you filed, please email Kathy Nelson in the Tuition and Financial Aid Office at knelson@popefrancisprep.org with a brief explanation of your current financial situation and need. Please be specific in income changes from the previous year.

Q. If I qualify for assistance through Blackbaud Financial Aid Management, will I receive the full amount I qualify for?

Q. If I have more than one child attending Catholic schools within the Diocese of Springfield, must I apply to each school for assistance?

A. Yes, schools may use different systems to manage financial aid applications. We advise you to contact each school about their financial aid process.

Q. I am not sure I would qualify for financial assistance. Is there any way you could tell me if you think I would qualify before I fill out the online application?

A. We do not discourage anyone from applying for financial assistance. Everyone's financial situation is different, from the income levels, to the number of people in a family, to the household expenses - these all determine qualifications for financial assistance.
